

The Other Book Part 2: The Shoulders We Stand On

Before schools were integrated, Black teachers taught from two books...the official book sanctioned by the government and the other book; teaching the truth about Black history. This lecture series will fill in our history that has been “white washed”. Standing on historic shoulders we’ve learned how to meet today’s challenges.

Lectures will be the second Saturday of each month, from 10am to 12pm, January 2026 through April 2026. Registration helps us plan, but is not required. All are welcome!
